Welcome to Art in the Park 2022!

We're excited our Boulder City Hospital Foundation is hosting the 58th annual Art in the Park festival! It is with great anticipation that we look forward to our community's beloved Southern Nevada tradition returning to Boulder City this year. With nearly 300 fine art, fine craft and traditional artists slated to participate, festivalgoers will enjoy a variety of art at this year's Art in the Park. And the ever-popular food midway features delicious favorites and new offerings as well as beverages to quench your thirst and keep you hydrated.

The funds raised through the Boulder City Hospital Foundation's Art in the Park event support the ongoing needs of Boulder City Hospital, a 501(c)(3) nonprofit charitable organization. Our hospital is a private Critical Access Hospital (CAH) with 25 acute/ swing beds, 10 acute psychiatric beds, 47 long term care beds and more than 250 staff. As stewards of the health and well-being of our community, Boulder City Hospital is the only CAH in Nevada that is not supported by a taxing district, corporate healthcare system, or mining dollars and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

Boulder City Hospital is a place of healing, and our priority is to provide a safe and equitable healthcare experience for all. We are committed to providing compassionate, quality care for everyone, and our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care. Our full-service hospital provides a variety of inpatient and outpatient care, emergency services, rehabilitation, and long term and behavioral health care as well as easily accessible ancillary services including radiology, laboratory, same day surgery, a primary care clinic, telemedicine, and Covid-19 testing and vaccinations.

Established in 1995, the Boulder City Hospital Foundation is a registered 501(c)(3) nonprofit charitable organization whose purpose is to raise funds for capital equipment and needs-based improvements to the nonprofit Boulder City Hospital through fund development, special events and donor contributions. Every dollar raised is distributed directly into areas of need within the hospital, and over the past five years the Foundation has raised over $1.2 million providing new equipment for radiology, rehabilitation, emergency, long term care, dietary and other departments.

Art in the Park is a labor of love and would not be possible without the continued support of our sponsors and our community. Over 300 volunteers have helped to make Art in the Park a favorite among artists, crafters and visitors alike. We work in lockstep with the City of Boulder City and City staff, our community service providers, and hospital staff and are forever grateful for their dedication and commitment to the success of the annual Art in the Park festival.

Boulder City Hospital appreciates the community commitment to our Foundation. Please consider donating to the Boulder City Hospital Foundation. You can visit our website at BCHcares.org to donate online or contact Wendy Adams at (702) 293-0214.

Thank you for attending the 2022 Art in the Park festival. Your support is appreciated!

Sincerely,

Thomas Maher
Chief Executive Officer

Southwest’s Largest Juried Outdoor Art Festival is a Time-Honored Boulder City Tradition

Welcome to the 58th annual Art in the Park festival benefiting Boulder City Hospital. For many in our Southern Nevada community, a treasured indication that Autumn is officially on the way appears as temperatures start to lower, days get a bit shorter, and the beloved Boulder City Art in the Park makes its appearance the first weekend of October. Not only is it an art lovers dream come true, but it’s also the anniversary of this signature fundraising event by the Boulder City Hospital Foundation with all proceeds benefiting Boulder City Hospital.

As one of the city’s largest events, Art in the Park is the largest outdoor juried art festival in the Southwest! This year’s event features hundreds of artisans located throughout the heart of Boulder city among its four beautiful parks.

It’s simply amazing that the Boulder City community has spent the past half century ensuring its residents are provided with superior health care and it all started from humble beginnings in 1962.

Reaching way back to the 1930’s when Hoover Dam was a project guided by the WPA, thousands of workers descended upon the area to build one of the major marvels of the world at the time. Due to the strenuous (and often times dangerous) work involved, the Government set up a facility to treat the workers and their families associated with the project.

As the early 50’s rolled around, and with the project long done, it was decided by the government to close the facility. When the residents of this quaint, beautiful town heard the news it sent them into despair. It seemed so unfair to the workers and their families associated with the project. However, the project long done, it was decided by the government to close the facility.

As early 50’s rolled around, and with the project long done, it was decided by the government to close the facility. When the residents of this quaint, beautiful town heard the news it sent them into despair. It seemed so unfair to the workers and their families associated with the project.

The Boulder City Hospital Foundation is a 501(c)(3) charitable organization established in 1995 to raise funds for capital equipment and improvements in support of our community hospital and in the past five years has raised over $1,095,000 through fundraising events such as Art in the Park and the Heart of Boulder City Gala.

The annual Art in the Park festival draws up to 100,000 visitors and is comprised of a varied and exciting range of fine art, fine craft and traditional artists along with a midway of culinary delights and live entertainment. It is widely recognized as

staff, Boulder City Chamber of Commerce, Boulder City Police and Fire Departments, Boulder City Parks and Recreation and the City of Boulder City, who make this festival successful.

Everyone who can help comes out to set up the area days before(3,7),(993,990) the show. Countless hours of setting up booths, registering hundreds of artists and being sure that every little detail is covered.

A full spectrum of artists and craftsmen can be found at this spectacular event. Guests shop until they drop then indulge in delectable fare and refreshments at any number of food and beverage booths.

Art in the Park always features a variety of food choices from hot dogs, hamburgers, roasted corn on the cob, barbecue sandwiches, Italian, Mexican, Greek, Chinese fare and Ice Cream.

Entertainment is a standard at Art in the Park. While strolling the parks and viewing artist works, guests are welcomed to relax in the shade at Bicentennial Park with refreshments while enjoying the stage entertainment from Boulder City’s traditional gazebo setting.

Since the inception of the festival every talented artist has donated one original piece to the Art in the Park raffle. That tradition continues today, making every raffle prize a “hot treasure!”

Raffle tickets are available at the raffle booth at the west end of Bicentennial Park. Raffle winners will be notified by phone and may pick up their prizes at the event or at the Boulder City Hospital Foundation office.

For more information about Art in the Park or Boulder City Hospital please visit www.artinthepark.org to learn how you can support our community hospital; please contact the Boulder City Hospital Foundation at (702) 293-0214.

Cox is proud to support Boulder City Hospital and all of the artists, volunteers and guests who make Art in the Park a must-see event year after year.
From a young age, Eric Calvillo wanted to be an artist. And he loved skeletons. From Disney’s The Skeleton Dance to his cultural heritage celebrating Día de los Muertos (Day of the Dead), his childhood love of doodling skeletons grew like a seed as those skeletons began enacting their own adventures, such as flying in planes.

Laboring in a world that often does not see fine art as a career path, the father wanted more for his young children so that they one day would commit to creative work they loved. This commitment began in his own art studio by following his dream to become an artist full time.

The future for him and his children could be found in those very skeletons he first fell in love with as Mr. Calvillo celebrated his people’s past in a celebration of his Mexican American cultural heritage. Standing at the well of creativity, his work serves as a bridge between the past and future, folk art and fine art, and tradition and innovation.

In creating this bridge, his personal cultural expression gives way to the shared humanity of understanding.

Mr. Calvillo’s art is a celebration of Latin culture. While certainly not limited to Día de los Muertos imagery, it is one example of the vibrancy of the artist’s portfolio. The celebration of Día de los Muertos is deeply rooted in pre-colonial Mexican culture. It is a joyful and significant cultural event in which tribute to passed loved ones is expressed in many ways, including the creation of decorative altars. His childhood experience of building such altars was an early inspiration on his artistic journey. The 2022 Art in the Park poster reflects these influences in the traditional and pleasant scene of two romantic skeletons joyfully arriving at the celebration. Central is the bright marigold, a traditional Día de los Muertos symbol serving as a guide for spirits of the departed to come to the celebration.

It is this very tradition of visual narrative storytelling that fosters community celebration that Mr. Calvillo captures and shares in his art. Naming his artistic influences, Mr. Calvillo lists numerous artists he admires who are well known, including José Guadalupe Posada, Frida Kahlo, and Pedro Linares López. But he is also quick to credit those artists whose names are lost to us who have created art and promulgated the unique Mexican art style throughout everyday spaces in the exercise of folk art. Most of all, Mr. Calvillo describes his own family as providing him with a rich culture and creative opportunities regarding family art.

One such experience involved making piñatas with his aunt, the imagery of which inspired a later art piece of his own. Drawing from deeply rooted nostalgia combined with storytelling culture, Mr. Calvillo has sought to bring in viewers of his art to an immediate experience while also combatting cultural misconceptions. His skeletons are rich in meaning, none of which are gruesome or macabre. As he continues his artistic journey of painting and other mediums, more patrons of the arts will gain a greater understanding of works inspired by folk art as fine art.

Indeed, the message of his art is that hate is uncultured, for culture is to be shared, enjoyed, and celebrated with everyone. Of his heritage, Mr. Calvillo describes the beauty of Mexican culture as beginning in the imagination. The Featured Artist at this year’s Art in the Park truly has brought everyone together in a spirit of imagination and togetherness.

Boulder City Hospital: A Place of Healing

Boulder City Hospital is a nonprofit, private Critical Access Hospital (CAH) with 25 acute/swing beds, 10 acute psychiatric beds, 47 Long Term Care beds and more than 250 staff. BCH is the only CAH in Nevada that is not supported by a Taxing District or a larger corporate parent and relies on donations from the community and the efforts of the Boulder City Hospital Foundation.

Our Mission
Boulder City Hospital is a place of healing. Our priority is to provide a safe and equitable healthcare experience for all. As stewards of the health and wellbeing of our community, we are committed to providing compassionate, quality care for everyone. Our diverse, caring and accepting professional workforce is dedicated to delivering exceptional patient care.

Our Vision
Boulder City Hospital focuses on advancing the health equity of the communities we serve, embracing innovation and continually improving our care and service delivery through healing, acceptance, and stewardship.

Our Values
Responsible, diverse, and dedicated stewards delivering equitable and sustainable healthcare for our community.

Emergency Services
Our full-service ER is open whenever you need us with access to dedicated professionals who know that every second counts. In any emergency, time is of the essence. At Boulder City Hospital, we’re committed to providing quality emergency care services for our community.

Our ER provides a safe and comfortable environment with short wait times and convenient access. And our Board Certified Emergency Room Physicians and Advanced Cardiac Life Support Certified Nurses have the ability to handle life-threatening situations, arising from sudden onset of illness, accident or injury. The Emergency Care Facility is open 24 hours per day, seven days per week and is always ready to serve the community with both technology and excellence in care.

Rehabilitation Services - Transitional Rehabilitation Unit
Our outpatient and inpatient rehabilitation services include individualized occupational, physical and speech therapies dependent on the appropriate goals developed for your health condition by you and your physician.

The Boulder City Hospital rehabilitation clinic offers a spacious clinic with quality equipment and a dedicated team of licensed physical, occupational and speech therapists providing treatment to get you moving and enjoying life again.

- Neck and Back Injury
- Shoulder and Arm Pain
- Hand and Wrist Pain
- Hip and Knee Pain
- Ankle and Foot Pain
- Post-surgical Rehabilitation
- Neurological Conditions
- Balance and Gait Impairments
- Advanced/Complex Wound Care

Transitional Rehabilitation Unit
Boulder City Hospital’s Transitional Rehabilitation Unit combines the superior clinical expertise of physical, speech, and occupational therapies along with social services to increase strength and return patients to their homes and families. At Boulder City Hospital, we bring the patient and family together with a comprehensive rehab team to establish short-term and long-term goals.

We can help those who have suffered a loss of function or impairment, and treat patients who have been diagnosed with or require services for:

- Stroke
- Degenerative neurological disorders
- Amputations
- Orthopedic injury
- Long term ABX infusions
- Rehab therapies and treatments are provided following joint replacement surgeries (knee, shoulder, and hip)
- Other conditions that have resulted in loss of independence and mobility

Geriatric Behavioral Health Unit
Compassionate care pathways provided in a safe, confidential, and relaxing setting. Many factors influence the mental health and well-being of older adults. Whether you or a loved one is experiencing loss, or changes in lifestyle and/or mental health, the Geriatric Behavioral Health Unit focuses on providing a nurturing atmosphere centered on the well-being of each individual.

- 10-Bed Inpatient Geriatric Behavioral Health Unit
- Consultation & evaluation
- Individual meetings with psychiatrists
- Psycho-educational group meetings with other patients
- Educational programs
- Interdisciplinary treatment approach with licensed nurses, social workers and psychiatrists

Outpatient Surgical Services
Boulder City Hospital provides a safe, efficient, and qualified surgical center alternative for a variety of surgical procedures. Our caring and qualified staff are available Monday through Friday to accommodate your same-day surgical needs. Our operating rooms are fully equipped and our recovery room allows patients to receive maximum attention and monitoring.

Boulder City Hospital’s Outpatient Surgery allows surgeons to perform procedures in a variety of specialty areas.

- Dermatology
- General Surgery
- Orthopedics
- Otolaryngology (ENT)
- Plastic Surgery
- Podiatry
- GI
- 2 Operating Suites
- Endoscopy Suite
- 2 Pre-op Bays
- 5 Post-op Bays
- Step-down Recovery

Partial Hospitalization Program
Providing quality and intensive psychiatric treatment since 1995, the Boulder City Hospital Mental Health department offers a Partial Hospitalization Program for adults that meets the needs of people who are able to remain in the community but require additional emotional support.

Providing a structured, individualized program of quality and intensive psychiatric care, our Partial Hospitalization Program focuses on the specific needs of each client. We offer treatment for depression, bipolar disorder, psychosis, severe anxiety and other mood disorders.

- Group Therapy
- Individual Therapy
- Family Therapy
- Cognitive Therapy
- Addictive Behavior Group
- Medication Monitoring
- Nursing Care
- Community Resources
- Symptom Recognition
- Discharge Planning
- Door-to-Door Transportation from most parts of Las Vegas and Henderson

Radiology Services
Boulder City Hospital offers outpatient and inpatient Radiology and Diagnostic Imaging services with updated, modern equipment and technology. Boulder City Hospital is affiliated with Desert Radiology. We offer walk-in x-rays during regular business hours and Ultrasound, CT and MRI are by appointment only unless you are accessing our emergency room where we have a 24/7 on-call team for x-ray, CT and ultrasound.

- Trained and Certified Radiology Technicians
- Standard X-Ray
- CT Scan-Computed Tomography (64-Slice)
- Ultrasound
- Nuclear Medicine
- Outpatient MRI/Magnetic Resonance
- Imaging

Laboratory Services
Boulder City Hospital offers full-service clinical laboratory services with minimal wait times and no appointments necessary. Both the Hospital lab and LAB103 provide COVID-19 testing with a physician’s order.

Commitment and Community

Boulder City Hospital: Compassionate Quality Care

The Boulder City Hospital Foundation is a 501(c)(3) charitable organization established in 1995, whose purpose is to raise funds for capital equipment and improvements to the nonprofit Boulder City Hospital through fund development and special events.

While Art in the Park is the Foundation’s signature fundraising community event, the Foundation is actively involved in civic groups and produces or co-produces events that promote awareness about health, wellness, and community issues.

Among these events is the annual Heart of the Community Gala, which honors individuals who have made significant cultural impacts in our community. Past recipients include Dr. Florence and Gard Jamison, Sara and Ralph Denton, Darlene and Vern Burk, Former Mayor Bob Ferraro, Linda and Robert Faiss, Rose and Bruce Woodbury, Christine and John Milburn, Teresa and Michael Giroux, Kathy and Jim Calhoun, Lori and Robert Merrell, and Heroes of the Pandemic.

Heart of the Community Gala, April 22, 2023

The evening’s fundraiser will take place at Boulder Creek Golf Course from 5:00pm to 10:00pm. Join us for cocktails and live and silent auctions.

Annual Art in the Park, October 7 & 8, 2023

Art in the Park celebrates its 59th year as the largest outdoor-juried art festival in the Southwest and is the largest fundraiser for the Boulder City Hospital. With over 325 art and craft vendors, food, entertainment and more.

For information about these events or information about Boulder City Hospital and Boulder City Hospital Foundation, please contact us at (702) 293-0214.

How to support your community hospital

Boulder City Hospital is a true asset to our community. We are fortunate to have many community partners and invite you to become involved with the Hospital. Your financial support ensures Boulder City Hospital continues its mission providing compassionate, quality care close to home. To learn about ways you can become involved with your community hospital, please call the Boulder City Hospital Foundation office at (702) 293-0214.

Boulder City Hospital Auxiliary

Boulder City Hospital and the Foundation are grateful for support from the Hospital Auxiliary. The Auxiliary created the first “Art in the Park” festival 58 years ago. Today, the Auxiliary continues to raise funds through a variety of activities including Goldie’s Gift Shoppe. The Auxiliary supports numerous Hospital programs. In addition, the group funds yearly scholarships supporting study in healthcare. Auxiliary members volunteer more than 10,000 hours yearly to the Hospital in addition to the funds raised and contributed. To learn more about the Boulder City Hospital Auxiliary or how to become a member, please call (702) 293-4111.
For over half a century, Desert Radiology has been dedicated to improving the quality of life in Southern Nevada and helping our community thrive.

We are proud to provide access and support to the many organizations and partners who share in this commitment and call Southern Nevada home.

Together we are making a difference.

The Boulder City Hospital and the Boulder City Hospital Foundation offers sincere appreciation to the City of Boulder City, our community, our local merchants, civic groups, volunteers, sponsors and donors. Without the generous, tremendous and combined efforts and support of so many individuals, organizations and City departments, the time-honored tradition of Art in the Park would not be possible. We are humbled by the continued support you provide for your Hospital and its mission to deliver quality health care close to home.
